STAINLESS STEEL bypass hose nipple for FE intake manifold \$7.00 includes shipping. Replace that old steel nipple with one that will NEVER rot out! \* Halogen headlights dim? Is your headlight switch overheating causing the headlights to go out or flicker? The answer is our headlight relay set designed to tie into your existing headlight harness allowing your headlights to receive full power permitting a 15-25% increase in brightness. The power bypasses the headlight switch extending its life indefinitely. Pre-built, complete ready to install units \$40.00 including priority mail shipping. \* MINIATURE SOLID STATE VOLTAGE regulators that bolt to the back of a Ford alternator, allowing you to install an alternator very easily in your pre alternator Galaxie! These make an alternator into a one wire design with an extra wire for your dash light. \$40.00 including shipping. \* Suspension conversion kits for 1963 and 1964 Galaxies. Do away with that pain in the behind offset shaft that is in the front of the lower control arms. This conversion gives you a complete set up for both sides so that you don't have the alignment problems. \$185.00 + \$12.00 shipping, with your concentric nut core exchange (add a \$50 deposit if you cannot furnish cores-refundable upon receipt of good cores). With this conversion you won't need toe in bars, or new bushings or offset shafts when you rebuild your front end. All you will need is this kit and you are back in business. DOES NOT look 100% original. Just makes the car handle 100% better. Make checks out to Mark Reynolds Postal Money Order gets IMMEDIATE shipment upon receipt.
